

Contact Niagara is your first link
to information and services.

Is your child experiencing emotional
and/or behavioural difficulty, and/or
affected by a developmental
disability?

Information

CONTACT Niagara helps you
understand children's mental health and
developmental services, funded by the
Ontario Ministries of Children and Youth
Services and Community and Social
Services.

Intake

CONTACT Niagara guides you through
a confidential interview process to
identify and access the services you
want or need.

All our services are confidential.
